

Copyright Form

Zahedan Journal of Research in Medical Sciences

On behalf of all co-authors, I hereby certify that all authors are effectively collaborate in the research idea, designing and executing the study, data analyses and writing the manuscript. I hereby affirm and confirm that I have read and accepted the relevant *Journal's* author's guideline, the ethics in publishing, conflicts of interest disclosure and considering the human and animal rights in the research study. I also assign to Zahedan Journal of Research in Medical Sciences copyright for my manuscript and any other data that are intended for publication as part of or as a supplement to the manuscript in any forms or languages throughout the world if the article is accepted for publication. Once submitted the manuscript cannot be withdrawn or sent elsewhere without written permission of the copyright owner. The editors reserve the right to edit, shorten, modify or reject submitted manuscripts even after provisional acceptance. This may be based on English grammar, clarity, space limitations, *Journal* style or preference of the editors.

I hereby assign to Zahedan University of Medical Sciences the copyright in the submitted manuscript and any supplemental tables, illustrations or other information submitted therewith that are intended for publication as part of the manuscript in all forms and media throughout the world, for the full term of copyright, effective when and if the manuscript is submitted for publication. This transfer includes the right to provide the submitted article in electronic and online forms and systems. I hereby grant a non-exclusive license for such publication, posting and making available, and further permit indexing and archiving. I understand that no revisions, additional terms or addenda to this agreement form can be accepted without Zahedan University of Medical Sciences written consent.

Author representations

- The article I have submitted to the journal for review is original, has been written by the stated authors and has not been published elsewhere.
- The article is not currently being considered for publication by any other journal and will not be submitted for such review while under review by this journal.
- The article contains no libelous or other unlawful statements and does not contain any materials that violate any personal or proprietary rights of any other person or entity.
- I have obtained written permission from copyright owners for any excerpts from copyrighted works that are included and have credited the sources in my article.
- If I am using any personal details or images of patients or research subjects, I have obtained written permission or consent from the patient (or, where applicable, the next of kin).
- If the article was prepared jointly with other authors, I have informed the co-author(s) of the terms of this publishing agreement and that I am signing on their behalf as their agent, and I am authorized to do so.
- Considering that the corresponding author will check and confirm the proof of the article before online publishing he/she is the keeper of the opinions of all co-authors and responsible for all the above rules.
